Look at the picture carefully and describe in 40-50 words

Read the passage carefully and answer the questions that follow:-

Vegetables are Good for us

Some people do not like to eat vegetables. But vegetables are good for us. They have sugar, starch, vitamins and iron. All these things are needed to build a strong and healthy body. Vegetables like carrot, cucumber, cabbage, tomato and spring onions (green onions) can be eaten raw. Some diseases develop because of not eating vegetables. A disease called scurvy is caused due to lack of vitamin C that is found in fresh vegetables. In scurvy the skin develops inflamed patches. It is important to be healthy. Healthy people can work hard and also can take part in sports. We are happy when we are healthy.

1. (a) What is needed to build a strong and healthy body?

(b) What values do vegetables have?

(c) What diseases does one get by not eating vegetables?

(d) What happens if a person is not strong and healthy?
